

Piedmontski apparel is perfect for pooch who has everything

Sak's Fifth Avenue's dog toggery shop hasn't ordered a supply of PiedmontSki T-shirts. At least not yet.

But Doogie Macklin, who is mistress of the R. S. Macklin household, says they're absolutely the latest rage in canine casual wear. As shown at right, Doogie sometimes adds a simple red bandanna as an accessory.

Doogie, who is eight people-years or 56 dog-years old, has as much Piedmont in her pedigree as PiedmontSki himself. A native of the Dallas pound, she traveled across the route system to make her home in Winston-Salem.

Technical Assistant to the Vice President of Maintenance and Engineering Ronnie Macklin and his wife Margaret are Doogie's pet people.

Congratulations
