

# 400 'Winners' compete in Carelines Games

More than 400 employees from around the system were "Up-And-Running" May 30 as they competed in the Carelines Games, held at Wake Forest University in Winston-Salem.

After almost 10 hours of events ranging from relays and high jumps to volleyball games, Fields walked off with the big trophy by amassing the most points. Awards were presented by President Bill Howard and department heads.

In addition to the participants, several hundred employees and their families watched the events during the day and joined participants for a celebration at the Ramada Inn that evening.

Tom Davis, chairman of the board, made the opening remarks after the departmental parade.

"You've got an awful lot to be proud of," Davis said.

"Piedmont today is the shining

star in the airline industry and you made it possible by putting forth the same kind of dedication and effort in your company as you have in your games. I congratulate you! It's impossible for me to express adequately my appreciation for what you've done to put Piedmont on that pedestal.

"We've stuck our neck out recently by making some very substantial commitments for new airplanes and other facilities. Sometimes I lay awake at night and wonder whether or not our necks may be out too far. Then I reflect again on the group that we have here at Piedmont and I go back to sleep quickly," he said.

"I congratulate all of you and look forward to seeing the games unfold. Each of you won't be winners today, but in the overall sense, even those who don't come in first are winners in my opinion."

Ed Best, vice president — Passenger Services, raises a medal earned by happy Flight Attendant Lea Anne Rutledge, INT.

Even when Flight Attendant Nancy Nuckles, INT, is on the ground, she's off the ground, this time in the long jump.

Our people have made Piedmont "the shining star" of the industry. Chairman T.H. Davis tells competitors awaiting the opening of Carelines Games. GO athletes watch and listen.

Eddie Albertson, INT, brings a seventh-inning stretch to volleyball.
