Piedmont employees at our Reston Reservations Office made Christmas happen for 55 needy children.

Employees divided up into teams with each team sponsoring a special child. Then a party was held at the reservations office on a Sunday afternoon prior to Christmas. The children, who ranged in ages from four to 10, received toys and clothing. There were even two Cabbage Patch dolls among the gifts.

Many of the employee groups are still keeping up with "their" children for birthdays and other holidays, and plans are already underway for next year's party.

The project was headed by agents Mary Pister, Frank Contento (now a supervisor in DAY), and Carol Truesdell.

Above: Grouped around their special Christmas display are (l to r) Juanita Robinson, Cy Peeler, Yvonne Mantocchia, Frank Contento, Paul Wyatt, and Gary Blackburn. (Blackburn is now manager of our DAY Reservations Office.) At left: James Rumph plays Santa with the help of Patti Winchester and Debbie Mann.
