Agent Robert Rotan (right) won a dinner for two at a local restaurant for upgrading the most FAY passengers to first class during the month of October. Rotan was responsible for 39 upgrades, and Agent Mary Ann Huskey (center), runner-up in the station contest, had 35. Ray Whittaker (left), with 21 upgrades, received honorable mention. Paul Whitehead and Frank Verginio were the co-winners among the part-time agents.

Upgrades for the station totaled 305, which translates to an increase of \$6,100 in revenue.

# pass bureau update

The American Ski Association is offering discount cards to Piedmont employees for just \$18 and only \$9 for additional family members. The cards are regularly-priced at \$40. With the cards you will receive a 450-page directory listing many ski resorts which give discounts to cardholders.

For an application and/or more information, write the Pass Bureau at INT-E120 or call 767-5244.

You can receive 50 percent discounts at over 125 hotels and resorts throughout the United States by joining ACCENT CARD.

Through its mass membership, ACCENT CARD has been able to take advantage of the 30-35 percent vacancies at the top hotels and resorts throughout the country. Your ACCENT CARD allows you to reserve rooms at a 50 percent discount off the published rack rate. In addition, you will receive updates when new hotels and resorts join the program.

ACCENT CARD offers membership to Piedmont employees for just \$25, a savings of \$104 over the regular retail rate of \$129. For a brochure, see your station manager/department supervisor.

Some of the properties contracted with ACCENT CARD will grant airline discounts without the card while others will not. Be sure to review the properties listed on the brochure to determine the value to you. One advantage of the card is its availability to parents and family members who often cannot get hotel discounts unless accompanied by an employee.

ACCENT CARD works with only top hotels and resorts and solicits feedback from cardholders.

Piedmont recently signed an interline agreement with Dan Air Services, a United Kingdom-based airline providing service in Europe.

Dan Air, which serves Gatwick, grants one 90 percent space available reduced rate pass per calendar year and unlimited 75 percent passes. Full or part-time employees, spouses, dependent children under 21, and retirees are eligible. Employees are required to have a minimum of one year of service.
