

# Gift Shoppes gear up for summer

The Piedmont Gift Shoppes are gearing up for the warmer weather with an assortment of summer wear.

Traditional golf shirts with collar, breast pocket and hemmed sleeves are available in navy, white and sandstone in sizes medium to extra-large. The polo style continental golf shirt is also available in the same colors and sizes. Both shirts sell for \$17.58 each.

For Sterling Marlin fans, you can sport a t-shirt promoting our racing program for just \$6.32. Sizes range from small to extra-large.

For the ladies the Shoppes have shirt/short sets which can be purchased separately. The shirts are 100% woven cotton in mint green, pink and white stripes. Coordinating cotton shorts in solid mint green or pink feature the Piedmont logo on the back pocket. Both shirts and shorts sell for \$13.72 each and come in sizes small to large.

Joggers might want to run on over for a pair of gray gym shorts with black logo in sizes small to extra-large for just \$5.62.

Jams! Available in navy or white with logo, these unisex shorts are 100% cotton, have an elastic waist and side pockets and come in sizes small to extra-large for \$12.13.

The ever-popular Jansport men's shorts in khaki and olive are available in waist sizes 30 to 40 for \$18.52.

Piedmont's 40th anniversary is the theme for white t-shirts which feature the old and new logos. The shirts are \$7.00 and come in sizes small to extra-large.

For all those beach enthusiasts out there, the Shoppes carry t-shirts in white, mint green, peach and pink, decorated with a sea shell in a contrasting pastel color for \$6.46 in sizes small to extra-large. Sweatshirts are also available in the same sizes and colors (except peach) for \$10.64.

Last but not least, these belt buckles must be seen to be appreciated. Available in two sizes, the buckles are made of German silver. The smaller buckle has the logo inlaid in semi-precious turquoise and costs \$50.10. The larger buckle is available for just \$52.60 and has the same design but includes Piedmont inlaid in semi-precious coral.

To purchase an item, either call or stop by one of Piedmont's three Shoppes. The Winston-Salem store (extension 767-5510), located at Smith Reynolds Airport, is open Monday-Friday 9:30 a.m. to 5 p.m. The Norfolk store (extension 857-3277) is open weekdays 8 a.m. to 5 p.m. and 8:30 a.m. to 5:30 p.m. weekends. It is closed daily from noon to 1:15 p.m. and is located at 6101 Burton Station Road near the ORF terminal building. The Monroe store (704/372-6845), at the Monroe Municipal Airport 35 miles from Charlotte, is open 8 a.m. to 8 p.m. seven days a week.

MasterCard, Visa, Diner's Club, and American Express Cards are accepted or you may purchase items by personal check or payroll deduction (\$10 or more). The Shoppes are not responsible for items shipped COMAT. UPS is recommended for small packages or expensive items.

**Ben Barone (left) presents Piedmont Chairman Bill McGee with a framed black and white print of Piedmont's jets by artist Ken Hurley. The second print of the two-print set presented to McGee depicts Piedmont's prop aircraft. The prints, a limited edition of 2,500, are the result of a joint effort between Barone and Hurley to provide a historic print set of all of Piedmont's aircraft, past and present. Barone was one of the first students to receive his commercial pilot's training through Piedmont Aviation during the late-1940's.**

He subsequently went into the Air Force and retired a colonel after 27 years of service. The 15x20 prints are numbered and individually signed by T.H. Davis, Piedmont's founder, and Hurley, and are available at the Piedmont Gift Shoppes for \$56.25 per set.

## Sterling Marlin holds 2nd place

With one-third of the 1988 Winston Cup season behind him, Sterling Marlin, driver of the Piedmont Airlines race team, has strengthened his grip on second place in the standings and turned in the most consistent performance of any team in the competition.

Sterling's sixth-place finish at legendary Talladega on May 1 was his seventh top ten finish in nine Winston Cup races this season. Dale Earnhardt is the only other driver with seven top ten finishes. Sterling's four finishes in the top five is exceeded only by former Piedmont driver Terry Labonte, with five.

The strong Talladega performance shaved the difference between Sterling and season points leader Dale Earnhardt to 60 points and increased Sterling's lead over third place Bill Elliott to 47 points.

Piedmont's Winston Cup circuit moves on to Charlotte for the World 600, to be broadcast live by ABC television on May 29, then to Dover, Delaware, on June 5, and Riverside, CA, June 12. Both the Dover and Riverside races will be carried live on ESPN cable TV.
