Term passes discontinued

Piedmont has discontinued the issuance of term passes to employees with 10 or more years of service. Piedmont Pass Bureau Manager Faye McIntyre advises that the move is a pre-planned part of the pass policy revision implemented earlier this year when the company authorized the use of "write-your-own" on-line travel passes for all active employees. That action makes the use of term passes unnecessary, McIntyre says.

Europe

Caesar Hotels is offering a one week bargain "Europe-On-A-Shoestring" trip to Rome, Paris, London, Madrid, or Switzerland, starting at \$259 per person with weekly departures from November 1988 to April 1989. Eligibility includes airline employees, spouses, dependents, retirees and parents of employees. Call 800/4-CAESAR for more information.

Air Travel Guide offers over 3,500 interline discounts worldwide, on airfares, tour packages, rental cars, hotels and more. To subscribe to the publication call 800/443-0100, extension 652a. (Note: This number is for subscription orders or renewals only; customer service or other questions must be made to 415/441-5200.) You may charge your subscription to VISA or Mastercard, or have the company bill you later. A one-year subscription is \$26; two-year \$40; and three-year, \$52.

Discount travel information, compiled from items sent to the editor, is provided as a service to employees. Neither Piedmont nor the Piedmonitor can assume responsibility for irregularities that may occur in connection with offers described.

The Piedmont Aviation Credit Union is a full service financial institution, owned and operated by employees, offering a variety of savings and loan programs, checking accounts, automatic teller machine cards, audio response service, and insurance on both savings and loans at no cost to the member. To take advantage of these services, contact the local credit union representative, or drop by or call the credit union offices in Winston-Salem (767-5861) or Charlotte (359-3045).
