- 9. <u>AGENCIES</u> There have been several slight changes or revisions to the Sales Agency Agreement, thereby making it necessary for all of our appointed agencies to sign the new or ammended Air Traffic Conference Sales Agency Agreement. These are being forwarded to all of our agents for signing. This is for your information so that, should any questions arise, you will know that it is being done.
- 10. <u>RUBBER STAMPS</u> All stations are being forwarded a "Half Fare" and "Non-Refundable" stamp. Be on the lookout for them and please use when applicable. Let's make Mr. McCall happy.
- 11. TRIP PASSENGER REVENUE Although these figures are rather old, the pattern has been the same for several months now. I thought you might be interested in knowing just how the passenger revenue stacks up as to trips.
