Hedgepeth Tells Details Of Crash

One Fountain Woman in Hospital As Result Of Accident

Police Chief O. P. Hedgepeth today reported no one was found at fault in an automobile accident on the corner of Hill street and Cokey road that resulted in one elderly woman's being carried to a local hospital Tuesday.

The Chief, who investigated the accident himself, said Mrs. Ella Jefferson, of Fountain, was thrown out of the car after the accident, and was carried to a local hospital. He telephoned there and received the report that she is coming along satisfactorily. Apparently she was shaken up from the fall from the machine.

The officer's investigation showed R. D. Jefferson, 20, of Fountain, was driving one car. Oscar Knight Negro, drove the other, a truck belonging to the firm of D. J. Rose and Son, local contractors.

With young Mr. Jefferson were Mrs. Ella Johnson, Mrs. J. W. Jefferson, and Ellis Johnson, Jr., all of Fountain. This group was en route to Durham.

Mr. Jefferson and party were headed into town on Cokey Road, and Knight was going east on Hill street when the accident happened. Chief Hedgepeth said no one was blamed, and no charges were preferred.

Nash Farmer Is Buried In County

O. R. Daughtridge, 58, Nash county farmer and native, was buried in the family burying grounds. Elder A. B. Denson, of the Primitive Baptist church conducted the funeral service from his residence in Rocky Mount township.

Mr. Daughtridge, brother of the late Dorsey T. Daughtridge who died only a short while ago as the result of an automobile accident, died suddenly late Monday at home. He died about 2:30.

His parents were dead, and his wife succumbed about 18 years ago.

Surviving him are four sons and daughters: James, Luther, Estelle, and Minnie Dell Daughtridge; and a brother, W. W. Daughtridge, all of Nash County.

Pallbearers included C. B. Daughtridge, John H. Daughtridge, Joseph P. Daughtridge, Roscoe Winstead, J. R. Watson and R. C. Watson.

Legion To Give Minstrel In City

Date Is Set As November 16 With About 40 Expected To Participate

The American Legion will present a minstrel for its Christmas charity fund the night of November 16 at the high school auditorium under the management of Clarence Coley, of Raleigh, former B. F. Keith vaudeville player, it was announced today. With a cast of about 40 persons already selected, the first rehearsal will occur tonight at the YMCA.

The minstrel cast will be composed of both local persons and guest artists from out-of-town. Mr. Coley stated.

Some of the Rocky Mount people will include J. R. Tanner, Syd Davis, Annie Laurie White, and others, while those known to local audiences from nearby include Tommy Baker, of Nash County; and the Mosley brothers and associates, Lee Harrison, Noah Bennett, and Ben Rivenbark, according to Mr. Coley.

The Rocky Mount Little Theatre players will offer a 20-minute comedy sketch also, he added as he outlined the program.

The Legion recently sponsored an exposition to raise money for a proposed Legion hut, an officials reported it was a profitable venture.

The performance will start at 8:30 o'clock.

Halloween Dance To Be Held Fri.

The Coleman-Pitt post of the American Legion has announced a benefit Halloween dance to be given on Friday night of this week. The affair will be staged at the old country club and the dancing public of the community is invited to attend.

Music will be provided from 9 until 1 o'clock and a cash prize will be awarded for the best costume members of the sponsoring committee have announced.

Palmer Boyd is commander of the Coleman-Pitt post and members of the committee, in charge of the Halloween festivity include: Charles Bradley, chairman; L. P. Morgan, George Batchelor, Ben E. Fountain and L. H. Howell.

Jackson County farmers will conserve soil this winter by stopping gullies with small brush dams.

The Rocky Mount Fair

The Rocky Mount Fair will open next Monday, November 2nd, and will last the entire week. It is expected that it will surpass any fair that Rocky Mount has ever had.

There will be fine exhibits, which have been stimulated by the splendid premiums offered by the fair. The same shows and amusements which were in the Raleigh fair will be here. They have some of the leading feats and attractions of the entire country.

It is expected that there will be large crowds every day, for one-third of a million people live within less than an hours drive to Rocky Mount. Nash and Edgecombe Counties have a combined population of more than 100,000.

The fair is operated under the direction of our own townsman, N. Y. Chambliss.

VOTE FOR ROOSEVELT AND PROSPERITY

The results of next Tuesday's election will affect the lives and happiness of the entire population of the United States.

Our belief is that should Landon be elected, that we will be headed back toward the conditions that existed during the Hoover Administration, for if Landon is elected the people will not be deceived if he does nothing, for he has promised nothing. He has promised the laborer and the old people that he will repeal all social legislation; Old Age Pension and other like legislations, and that we will write some new legislation, such as the people will be able to pay, which will be satisfactory to the wealthy folks. That means nothing. We will probably see that Hoover cart again, which was the most woeful looking vehicle that man ever rode on. It makes one weak to look at it now, as it recalls the hard times under the Hoover Administration.

If President Roosevelt is re-elected, we may expect a continuation of the great work that he has done in the interest of humanity and in saving us from the depression and revolution.

We will see put into effect, the social program which was started by him and it is but just and right that it shall have a fair trial under the President, who originated it and caused it to be enacted to law.

We may expect the good times that we are now passing through to be continued, because the Democratic Program under Roosevelt has been a program built upon justice to the farmer and to the laboring man, and what better foundation could we build upon, than this.

Let the farmer and the laboring man do his duty on next Tuesday and cast his vote for ROOSEVELT

Edgecombe Taxes Being Paid Better

"Up to this date, tax collections are right much ahead of what they were last year this time," reported E. T. Moore, assistant Edgecombe tax collector, here today.

He did not disclose the exact figures, but reported that the collections were noticeably better than

they were last year, and that people are taking advantage of the one per cent discount available until November 1. After that day, the discount is one-half of one per cent for a time.

P. H. Johnson, assistant Nash tax collector and Nash deputy sheriff, here today indicated he had not had an opportunity to check to see how Nash collections now compared with those of last year about the same time.

Dr. R. F. Hunt Will Head Dental Soc.

Dr. R. F. Hunt, who has practiced in this city for the last 12 years, was named president-elect of the Fifth District Dental society at the closing session of that group's convention held in Kinston.

Dr. Hunt, who served as vice-president during the past year, will be installed in his executive position at the next annual convention of the society, which will be held at Goldsboro in 1937. He succeeds Dr. W. L. Hand, of New Bern, who was installed at the Kinston session.

Dr. L. J. Dupree of Kinston was elected vice-president, and Dr. A. T. Jeannette of Washington was re-elected secretary and treasurer.

Kern Criticizes Day's Preaching

Salisbury, Oct. 25.—Bishop Paul B. Kern criticized much of present day preaching in his sermon today as delegates to the annual Western North Carolina Conference of the Methodist Episcopal church, South, put aside business affairs for a day of worship.

The conference will adjourn tomorrow after a session which will be featured by the reading of ministerial appointments for the coming year.

A great part of current preaching Bishop Kern declared, "does not grapple with the fundamental issues of life."

On the other hand, he asserted, it "plays on central margins too much; it deals with trivialities."

The bishop, who is presiding over sessions of the conference, warned his hearers that "sin causes physical and moral death," and loss of the spiritual contract with God.

"The devil pays the wages of sin," he said, "God pays a bonus with eternal life."

This generation, he continued, needs "to begin to live our lives in the light of Eternal Glory."

Declaring that "the wages of sin is death," the Bishop asserted, "the full gift of God is eternal life in Christ Jesus, our Lord."

Visiting ministers filled the pulpits of all Salisbury Methodist churches.

The annual Love Feast was held at 9 A. M., with the following ministers taking part: M. F. Moores,

Labor Supports Pres. Roosevelt

Thirty-Three State Organizations Endorse Re-election of President

Washington, Oct. 21.—Thirty-three state federations of labor, representing every section of the United States, have endorsed the re-election of President Roosevelt to date, Major George L. Berry, president of Labor's Non-partisan League, announced.

"This bears a significance that cannot be underestimated by any political dooper," said Major Berry, when it is considered that in addition to these state federation endorsements, President Roosevelt has received the endorsements of 20 international unions and 85 officials of international unions in addition to the state federation backings. Particularly significant is the fact that not a single state labor body has endorsed Candidate Landon."

"As the campaign goes down the home-stretch this tribute of labor points clearly to one thing," Major Berry emphasized. "The working men and women of America—millions of them, organized and unorganized—have seen the issue clearly as a choice between true liberalism versus unadulterated reaction, and when you separate the chaff from the wheat this one issue remains no matter how hard the Republicans try to make the issue seem otherwise. The Republican Dr. Jekyll and Mr. Hyde act hasn't fooled anybody."

State federations of labor which have endorsed President Roosevelt to date are: Alabama, California, Colorado, Connecticut, Florida, Georgia, Illinois, Idaho, Indiana, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Minnesota, Mississippi, Missouri, Montana, Nebraska, New Jersey, New York, Ohio, Oklahoma, Pennsylvania, Rhode Island, South Carolina, Tennessee, Utah, Virginia, Washington, West Virginia, and Wyoming.

International unions which have endorsed President Roosevelt or Labor's Non-partisan League, or both, are: Amalgamated Clothing Workers of America, Locomotive Firemen and Enginemen, International Ladies' Garment Workers, Hatters, Cap and Millinery Workers' International Union, Hotel and Restaurant Employees' International Alliance and Bartenders' League, American Federation of Hosiery Workers, Mine, Mill and Smelter Workers' International Union, United Mine Workers of America, Brotherhood of Railway Clerks, International Alliance of Theatrical Stage Em-
