## BRIG-A-BRAC

Pvt. Ching Marrow, who as a Rotarian, once helped put out the H.F.N. is close enough to N. Y. to see all the shows. Notes with joy that many are free & all reduced in price to the Service Man. Pvt. Jeff Tooley, the man who made "Frisco" Farrar rich, likes his camp in Dover, Dela. better than any place in the nation except Tarboro's Pool Room. Cpl. Junius Koonce has been dancing with Dinah Shore in Los Angeles. Lt. V. Herman Creech, Jr. is teaching the use of instruments in airplane detection. Past Postal Employee "Bo" Sheffield of Fort Jackson says he never really learned to walk until he got in the Army.

Mrs. (Major) T. B. Winstead & Mrs. (Lt) L. D. Naugher write interesting letters for busy husbands conveying compliments to the H.F.N. Quite novel for a married editor to find women approving ANY work he did. I. T. Valentine, of Nashville is a Major in the Judge Advocate Dept. & Hubert May former Nash Prosecuting Atty. is a Captain in the same Department.
