Says Tracy Taylor:  
The queen bee is a timid soul.  
She doesn't believe in birth control,  
That's the reason one always sees,  
So very many sons of bees.

America when asked his opinion  
of the American doughboys over

criticisms—they are over-paid,  
they are over-sexed, and they are  
over-here.

When you are in the same booth !

The HFN and all the boys from the Crisp section  
get a real break. Mrs. Joe Eagles has consented to  
report where Julia Lovelace left off. Cant you  
just see how these fine people are interested in  
boys? Didn't I tell you they were with you?  
(And thank you, Scott. We will send you 5-pound  
box of candy.
