BELIEVE IT OR NOT:

Robert (Pete) Wilson, driving a jeep down the road in India, saw two doughboys ahead. Pulling along side of them, he stopped and said, "going my way?" They piled in, not not noticing the driver. A few hundred yards down the road one exclaimed, "Dan'd if it ain't old Pete Wilson?" Pete turned and nearly passed out. None other than old Bill Hatten sat there beside him.

A wedding carriage was seen driving through the streets of New York the other day. Inscribed in chalk on the back were the words: "Result of Careless Talk."

Milton G. Fussell, Pfc. Med. Det. of the Infantry, is reported killed in action in France on June 21, 1944. He is the son of Mr. & Mrs. Herbert W. Fussell. A splendid boy casts his all in the defense of Liberty loving America and it remains our duty to see that he did not die in vain.

We learn from Mrs. Jimmie Britt, efficient Secretary of Edgecombe Co. Local Board No. 1, that from over 1300 men sent into the service by that Board, five have made the supreme sacrifice. Three of these fine lads were killed in action, one died from accidental causes, and one from illness. Our heads are bowed for these boys and we are thankful that the percentage is as small as it is. The names of the boys are: B. D. Sorey; L. B. Wooten; A. D. Webb; T. H. Felton and M. G. Fussell.
