Local Boys are Headliners

Judge Stamps Howard receives most unique surprise when notified that two sons, Com. Wm. S. Howard, Jr. and Lt. Com. Nelson F. Howard won distinction and citations from Vice-Admiral J. H. Hoover, and Admiral H. R. Stark for meritorious services. Limited space prohibits HFF from reciting conspicuous citations, but we all salute them in this their outstanding achievements.

THANKS TO CAPT. JUG MOORE & S/S JOHN J. BAILEY, JR. for fine pictures sent us from France. We are displaying these in our collection of other pictures.

We read a letter from Gene Simmons, (Capt.) to our "Miss Mattie Shackelford, dated 11/23, which was truly a masterpiece. Space prohibits our publishing.

S/S Eud Shook reported in Tuscaloosa Hospital to recuperate.
