### Fishology:

The Professor explained to the class that the female fish swam up stream and deposited her eggs near the shore, the male fish following and fertilizing the eggs. Whereupon the guy on the back seat inquired, "Do you mean to tell us they don't ---" "That is exactly right," interrupted the Professor. "That is the reason they call them fish."

"I hear you and the leading lady are on the outs."

Electrician: "Yeah, it was one of those quick change scenes with the stage all dark. She asked for her tights and I thought she said lights."

Customer: "Are those eggs strictly fresh?"

Grocer (to his clerk): "Feel those eggs, George, and see if they're cool enough to sell yet"

Luke: "I climbed up that fence there and I seen a lot of people walking around nude."

Juke: "Must be a nudist colony. Were they men or women?"

Luke: "I dunno- they didn't have their clothes on!"

We were certainly pleased to see Frank Carlisle, Sl/c, who has been in the Navy 12 mos. He is now at Treasure Island, (next to Alcatraz) doing special Radar work - unable to give us much information. A grand guy, and HFV wishes him Godspeed.

A Most welcome caller the other day was F. J. Warren, who stated that he wished to help our publication, and passed \$5.00 across the counter to us. Furney now entirely well from recent operations, and a very citizen of Tarboro.

Handsome Robbie Peters dropped in from Ft. Benning to say "Hello", and thanks for HFV. Bobbie, son of former Mayor Peters, a graduate of The Citadel, former star football and swimming athlete, attended Flight School in Cal., but when corps was declared full he was transferred to the infantry. A swell chap, and will do well wherever he goes.
