

NOW YOU TELL ONE

The corporal was going home on his first furlough and was fortunate enough to have a Pullman. When he pulled back the curtain of his berth he was astonished to find two luscious blondes reposing there. He checked his ticket to be sure he was right and said: "I'm deeply sorry ladies, but I'm a married man, a man of respect and standing in my community. I can't afford a scandal. I'm sorry--but one of you girls must leave."

LIQUOR AND LIFE

The horse and mule live 20 yrs.
And nothing know of wine and
beers

The goat and sheep at 20 die
And never taste of Scotch and
Rye

The cow drinks water by the ton
And at 18 is almost done

The dog at 15 cashes in
Without the aid of rum and gin
The cat in milk and water soaks
And then at 12 short years it
croaks

The modest, sober, bone-dry hen
Lays eggs for nogs, then dies
at 10

All animals are strickly dry
They sinless live and swiftly
die

But sinful, ginful, rum-soaked
men

Survive for three score years
and ten.

(Next time we say the above the
following 4 lines had been
added:)

And some of us, the mighty few
Stay pickled 'til we're 92.
And when we lay us down to die
May we be embalmed in rum or
rye.

He: "Girlie, I have a confes-
sion to make. I'm a married
man."

She: "Gosh! You had me scared
I thought you were going to say
this car didn't belong to you."

Maizie: "When George and I get
married we're going to Bali Ba-
li to see what it is like."

Maizie: "Silly, it's the same
wherever you go."

Asylum Warden: "So you think
you are sane now? If I give
you your freedom, will you
leave liquor and women alone?"

Inmate: "I sure will!"

Warden: "You'd better stay here
You're still crazy."

St. Peter: "How did you get here
Recent Arrival: "Flu".

CONVICTS LAUNDER WAVES' PANTIES

Can you imagine anything more
rediculous than this? Can't
you just picture the punish-
ment these bad boys are taking
WOW! It's really true. It
seems that a certain prison in
the State of Wisconsin is do-
ing the laundry for the WAVES
who are taking courses at the
University of Wisconsin. Now
you know what may happen to
you if you're "sent up" in
Wisconsin.

Desert chat: Says one GI to
another: "It's awfully dry
out here in the desert." "Yes,
says the other, I haven't
passed water in four days."

Then there was a lady who was
so dumb she thought a goblet
was a sailor's child.

Doctor: "You must avoid all
forms of excitement."

Bill: "Can I lock at them on
the street?"

Landlady (in hall, talking to
a gal): "I thought I saw you
taking a gentleman up to your
apartment last night, Miss
Snythe."

Miss Snythe: "Yeh; that's
what I thought, too."

There was a young Wave named
Banker, who slept while the
ship lay at anchor; She awoke
in dismay--When she heard the
mate say: "Now hoist up the
topsheet, and spanker!"

"It won't be wrong now," the
young bride hummed as she was
marching down the aisle.

The woman truck driver swerved
to avoid a child and fell out
of bed.

Itch is something that, when a
sailor is standing at atten-
tion his nose always.
