## BETCHA DIDN'T KNOW:

That the height of embarrassment is two eyes meeting through a keyhole.

Just because a girl is well oiled is no guarantee that she will not squeal.

That a striptease dancer can't learn to know because she has trained to drop every stitch.

Little ducks always wear a frown because their pants are always down.

That fortune tellers are classed as 4-F because they have crystal balls.

That a biography of Errol Flynn and Charley Chaplin could easily be called "on Whom the Gals Told

That the first optician was the common housefly and he's still making "specks."

Father: (at ball game) "Son, here comes a great player."  
Son: "Pop, he's no good. I heard Mom tell him he couldn't get to first base."

"George and I took a kodak to Niagara Falls with us on our honeymoon.

"Anything developed yet?"  
"Mercy not yet-- we've only been back two days!"

Advertising notice from a Kansas newspaper:

"Notice: Positively no more baptizing in my pasture. Twice in the last two months my gate has been left open by Christian people, and before I'll chase my heifers all over the country again, all the sinners can go to hell."

Young bride: "Marriage is wonderful. It's like having a date every single night."

The man came home, bringing with him a new wife, some 40 years his junior. He introduced her to his servants and afterward asked the oldest one of his employees what he thought of his new mistress. The man said: "She's a beautiful young lady." "Then what are you so upset about?"

"Oh, nothing much, Boss, except that I hate to see a man start out on a day's work so late in the afternoon."

"Your leg," writes a midwest school boy in an anatomy test, "is what if you ain't got two pretty fair ones you can't get to first base, and neither can your sister."

A male puppy is a son of a female dog. A female dog is the dogcatcher's main objective. A main objective is the dream of a dictator. Therefore, dictators are male puppies. And what did I say male puppies were?

Lady at the Club: My husband travels so much that each time he comes home he seems a perfect stranger.

Another Lady: How thrilling!

A colored man went to the editor of a Southern newspaper, requesting that a death notice be published about a departed brother. The editor referred him to the Classified ad department. At the Classified ad desk he asked, "How much will it cost to put a write-up in the paper about this dead man?" When told that it would cost \$2.00 an inch, he scratched his head and exclaimed, "Gawdamighty, and that nigger was over six foot tall!!"

"Mandy, I've been sent to see you because you have twelve children and I want to give you this booklet on birth control."

"Yaas'm, Miss Smith, dat mout be all right fo' you unmahied ladies, but I's mahied and don't need it."

WAC (on first trip to sea):

"Captain, is this a good ship?"  
Captain: "Why madam, don't you know this is her maiden voyage?"

She: "Why was Agnes deferred?"  
Her: "She slid down the ban-nister."
