GARDEN CLUB NEWS

Two of the three main summer events sponsored by the Highlands Garden Club have been most successfully and enthusiastically completed. Mrs. W. Harrell Wilson lectured in her inimitable fashion to almost one hundred people who left the Museum building filled with inspired ideas and refreshed self confidence for flower arranging. The Garden Club is gratefully indebted to Mrs. Wilson for the informative and delightful lecture as well as for the contribution which it made to the Highlands Biological Station.

The second event, the annual Garden Tour, was acclaimed with great praise and

FLOWER SHOW

The stars of the Flower Show parade will be gathered together for their public performance in the school auditorium this Saturday and Sunday, August 13th and 14th. To the Flower Show will be brought the cream of the crops and so we shall see that the growing season has not been so bad after all! By the same token, don't be afraid to put yourself in the same boat with everyone else. Please don't hesitate to bring in an entry
