PUBLIC INVITED

HILLBILLY DAY 1956

By Richard Thompson

This year, our fifth annual Hillbilly
Day promises to outdo anything we have
ever had. We are expecting the largest
crowd ever assembled for our annual fun
day, and in order to take care of the mul-
titude, Main Street will be blocked off
from 8:00 a.m. until after the Street
dance.

We want to encourage everyone to please
stock their groceries before August 1, and
in this way inconvenience will be cut to
a minimum. People who attend the High-
lands Art Gallery on Hillbilly Day are
urged to use the rear entrance for parking.
