ART EXHIBITION

On Wednesday, July 25, from 11:00 a.m. to 9:30 p.m., the Hudson Library will stage an exhibition of pictures by artists who either live or are visiting in Highlands. Here you will see pictures by well known professionals and little known amateurs...pictures done in many mediums, original work only, no copies and no photographs. In order that all attending the exhibit may have a complete catalog of the exhibition it is important that all entries be listed, by Saturday the 21, with either the chairman, Miss Helen Augur telephone 2075, or with the co-chairman, Mrs. Aileen Fraser Hill. Well known professionals and unknown amateurs are invited to exhibit from one to three pictures...the pictures to be brought to the library by 9:00 a.m. Wednesday.

ATTENTION ARTISTS...if you have anything to show do not be bashful...come forward, this may be your great opportunity...perhaps you may even sell one!! Think of the pleasure that awaits all who see the exhibition, and it will only cost them fifty cents. The money made will buy new books for our library. Will everyone who wishes to enter please contact either Miss Augur or Mrs. Hill. Also if you think that anyone should enter but may not, please give their names to either Mrs. Hill or Miss Augur.
