METHODIST NEWS

The Cashiers Methodist Church will observe an important occasion when ground is broken for a new educational building Sunday afternoon, July 22, at 5:30 p.m. Members of the church will participate in the special service which will be lead by the Reverend Frank Smathers, District Superintendent of the Waynesville District.

The new educational building is the first stage of construction in a building program which is estimated at approximately \$40,000. Members of the church are hoping to have the educational building ready for use this fall.

Following the ground-breaking service, the congregation will gather for a fellowship supper at the church. Members of the Highlands church are invited to attend the ground breaking service and the supper.

At 7:30 p.m. the Reverend Frank Smathers will conduct the Fourth Quarterly Conference for the Highlands-Cashiers Charge. Reports for the year will be received and new church officers elected for the coming year.

Miss Judith Hines, student at Vashti School for Girls in Thomasville, Georgia, is spending her vacation with her aunt and uncle, Mr. & Mrs. Kreig Hines, at their home on Mirror Road.
