

FLOWER ARRANGEMENT LECTURE

Sponsored by the Highlands Garden Club, and through the courtesy of the Highlands Biological Station, Mrs. Harrell Wilson of Greenville, S. C., will present another of her inimitable lectures on Flower Arrangement. This event will take place on Friday, July 27, at 10:30 a.m. at the Highlands Museum.

Mrs. Wilson, a nationally accredited Flower Show Judge and well known lecturer, has fascinated many audiences throughout the country with her artistic flower creations, which she combines with witty and charming conversation. You are urged to come and take advantage of the opportunity to hear this informative as well as entertaining lecture. There will be an admission charge of \$1.00 and the proceeds will go to the Highlands Biological Station.

NEW HIGHLANDS TOWN
BUDGET IS ANNOUNCED

The Highlands Town Board has adopted a budget of \$113,245.00 for the 1956-57, fiscal year according to L.E. Potts, town clerk.

The new tax rate was set at \$2.25 on the \$100 property valuation, the same as for the past several years.

Various expenditures will include \$10,085.00 for Administration; \$11,300.00 for Police and Fire Department; \$20,200.00 for Street Department; \$11,400.00 for Debt Service Transfers; \$37,340.00 for Electric Department; \$22,920.00 Water Department.

The total receipt for last year, 1955-56, was \$110,037.00 and expenditures were \$106,628.00.

M.Y.F. PLAN "CAR WASH"

Members of the Methodist Youth Fellowship have planned for Saturday, July 21, a group "car wash" behind the Methodist Church. Hours for the "car wash" will be 10 a.m. to 12 noon, and 1 p.m. to 5 p.m.

A FIRST FOR HIGHLANDS

Highlands is the location of the first famous Techbuilt Vacation Cottage to be built in the southeast. The Cottage, which is 1 1/3 miles from town on the Franklin Road (Rt. 64), is being built by C.D.S. Clarkson.

The Clarkson Cottage was designed by Carl Kock of Boston, internationally known architect, for Techbuilt a pre-cut housing firm of Lexington, Massachusetts. The house is contemporary in design and built by post and beam construction. Features of the house include the exposed Douglas Fir beams, the great expanse of glass, and a large sitting porch. The total effect is of spaciousness by bringing the outside inside. Although the Clarkson house has two bedrooms, kitchen and bath, the cottage may be planned in any manner in order to satisfy the owners needs. The Better Homes and Gardens magazine calls it "the best summer home buy yet".

The Clarkson Cottage will be open for inspection daily from 2-5 beginning Sunday, July 22.

Mrs. Gilbert S. Brownell is building a two-story Techbuilt Cottage near her home on Billy Cabin Ridge. It is nearing completion also.
