

"BETRAYED"

"Betrayed" is an adventure drama film- ed in magnificent color amid the exquisite beauty of Holland, with three top stars, that has enough drama, romance, action and thrills to keep one interested and entertained. Clark Gable, Lana Turner and Victor Mature all turn in fine perform- ances.

The story of "Betrayed" deals with the work of the Dutch underground during the Nazi occupation, which is filled with suspenseful action and thrills. The ro- mance, as it develops between Gable as the ruthless, dynamic, uncompromising leader of the Dutch Intelligence, and Lana Turner as the Dutch beauty whose allegiance to her country is questioned, again give them a chance for some torrid love scenes. Victor Mature, portrays the dashing, daredevil underground leader with color, humor and convincing sincer- ity. Wilfrid Hyde-White effectively de- picts an English General, giving him a fine sense of humor.

"Betrayed" plays at the Galax Theatre, Tuesday, July 31.

Brevard Music Center Events (con't.) play Gabrieli's Sonata Piano Forte, from "Sacrae Symphoniae."

On the Sunday concert, July 29, at 4:00, John Bitter, conductor of the Uni- versity of Miami Symphony, will make a guest appearance with the Transylvania Symphony. Zvi Zeitlin will be soloist in the Mendelssohn Concerto in E Minor for Violin and Orchestra. On Tuesday, stu- dent soloists will appear with the Cham- ber Orchestra, under the direction of Paul Bryan.
