"HIGH SOCIETY" COMING

Another Big, New feature picture has been booked to show at The Galax Theatre SUN-MON-TUE., August 26-27-28. "HIGH SOCIETY" is the picture and it stars Bing Crosby, Grace Kelly and Frank Sinatra. Also playing in this feature are Celeste Holm, John Lund, Louis Calhoun and others. It is in Technicolor and VistaVision.

By Mr. Lester W. Dawley

This comes from the member of a family who is now enjoying his and their fourth, five-month summer period in Highlands. More than enjoyment, we love this area... its mountains...its rarefied atmosphere... the blue haze of the mountains...the fogs ...the streams and lakes and many other indigenous evidences of God's handiwork.

Our first visit to Highlands was in mid-October, 1952...nature's paint brushes had given a fairyland coloring to all the country side!

The memory of those scenes, and the picturesque mountains, created within us the desire and ambition to return to this area for lengthy vacation periods...and so we came.

These mountains remind me of the following article (author unknown to me) and of the stirring emotions which come from being a part of them, even though that part be infinitesimal.

FLOWER SHOW

The Annual Flower Show "Mountain Symphony of Forest and Gardens" is scheduled to take place Friday, August 17th and Saturday, August 18th, in the Highlands School Auditorium. On Friday the show will be open from 2:00 to 9:00 p.m. On Saturday 10:30 to 6:00 p.m. Admission will be \$1.00 for adults and 25¢ for children - proceeds to be used for civic beautification.

They are expecting many beautiful and interesting entries in both the Arrangement and Horticulture Divisions of the show, and there will be a number of non-competitive special exhibits. Among these a collection of Dr. Willard Parry's tuberous begonias will be featured.

It is hoped that all gardeners will add to the pleasure of the show by bringing in their specimen flowers and plants to the Horticulture Division; and in order to encourage the "flower arrangers" of this community, we re-print here the Arrangements Division of the 1956 Flower (con't. page 14)
