FLOWER SHOW

The Mountain Symphony of Forest and Gardens, sponsored by the Highlands Garden Club, fulfilled all expectations of both the members and visitors, and was well attended.

The most spectacular arrangement greeting the public as they entered the auditorium, was a magnificent display of begonias, beautifully arranged on the stage by Dr. Willard Parry.

Mrs. Robert Reese again won the coveted sweep-stakes award with 113 points, comprising many blue and red ribbons. The Garden Club is proud of her efforts and the prestige she has earned in winning these awards. Our President and General Chairman, Mrs. J. Manson Valentine again won second place, with 73 points. The Garden Club feels greatly indebted to Mrs. Valentine for her part in making the Flower Show a success.

WATCH FOR THE BIG SILVER T.

The Hudson Library Silver Tea is an event to which many of you have been looking forward for some time...for you have always attended and always had a delightful time. Then there is that wonderful inner glow that comes with the doing of a good deed...and what better deed is there than the supporting of your library...helping it to buy the books you want to read. The Library Silver Tea is the climax of the season...the final event...the last time you will be asked to open wide your pocket book.

The Hudson Library Silver Tea will be on Thursday, August 30, from four to six. It will be at King's Inn No. 2...a most attractive and centrally located place.

A cordial invitation is extended to everyone....men and women....will be most welcome.

ROTARY NEWS

Last Tuesday evening, local and visiting Rotarians heard an interesting talk by Mr. John Archer, President of the Nantahala Power and Light Company. Mr. Archer's subject was "Power Development in Western North Carolina."

There were approximately fifty visiting Rotarians for this meeting. The Rotary Club meets each Tuesday evening at 6:30 in the basement of the Highlands Methodist Church.
