HIGHLANDS MINERAL SOCIETY

The main features of the Monthly Meet-
ing of the Highlands Mineral Society on
July 23 were a talk by Mrs. Tom Harbison
on "Varieties of Quartz" and a SWAP SESSION
during which members traded specimens.

TOWN CRIER

The Highlands Garden Club has erected
a "Town Crier", better described as a bull-
etin board. It is located on Main Street
next to the Real Estate office of Mrs.
Lyda Harcombe.

The purpose is to provide a definite
and official place for civic notices, any
item of interest to the community but not
of a commercial nature.

ART SHOW SUPRISSES HIGHLANDS

The Art Show held July 26th and 27th
for the benefit of Hudson Library proved
to be a surprise to the approximately three
hundred people who attended it, both because
of the number of Highlands artists exhibit-
ing and the high quality of the work shown.
There were 38 exhibitors, 18 entering pict-
ures in various mediums and 20 exhibiting
their handicrafts, while two artists-----
George W. Gunther and George Yapple---showed
both paintings and ceramics.

CONCERT

Again Highlands responded to the opp-
ortunity of enjoying an evening of Orches-
tral music. The capacity audience, dressed
in summer evening wear, filled the school
auditorium for this gala occasion.
