REBECCA S. HARRIS TRACT OF LAND BOUGHT FOR DEVELOPMENT

The Rebecca S. Harris tract of land which amounts to approximately 100 acres has been purchased by Frank H. Potts, W.W. Edwards, Roy Potts, and Steve Potts. The actual purchase was completed several weeks ago. One corner of this acreage lies at Main Street and Fifth Street just beyond the Highlands Presbyterian Church. The property extends back to the foot of Sunset rocks.

This land was bought from Miss Rebecca S. Harris and included in the deal is Kanonah, a well known place.

This property was purchased for the purpose of a subdivision. This development has been named "Sunset Hills". Streets are being opened up into the property and lots have been surveyed, so that they can be offered for sale. It is in the plans to rebuild the lake which was formerly on the property.
