OBSERVATIONS OF AN OUTSIDER ON THE HUDSON LIBRARY

If the sign on the outside of a neat gray building on East Main Street had read "Welcome" instead of The Hudson Library, it would have expressed the very idea evident to me as soon as I passed the portal. The border of bright marigolds in front of the library all but spoke that word.

My first impression was one of surprise to find such a going concern in a spot over 4,000 feet up the mountain, but after I noted the number and variety of books available, my astonishment increased. One could go far and not find a collection of Reference Books as good. The biography group, history and fiction are full, with
