GARDEN TOURS SUCCESS

Nearly 300 people enjoyed the Garden Tours last Friday and Saturday. Such a highly successful event was achieved only by the interest and cooperation of many people.

Miss Helen Augur and Mrs. Tudor Hell served as chairman and co-chairman. Their committee heads were well assisted not only by the membership, but by so many outside the official roster of the Garden Club, individual credits cannot be given.

The Methodist Church must be thanked for donating its central location for the start of the Tours, and the City Council for setting aside an adequate "no parking" area. All of those who provided cars, and the drivers who gave their time, were invaluable. The newspapers of Highlands have been generous in giving excellent publicity to the Tours.

The Garden Club acknowledges a special debt to the owners of the eight houses and gardens shown, not only for the considerable effort entailed in opening a home to the public, but also for the cordial welcome extended to all visitors.

To these, and to the many others who aided the Tours, the Garden Club is deeply grateful.

Plans are already being made for the 1959 Tours. All proceeds netted each year are used for the Garden Club's major interest, the beautification of Highlands. That project, coupled with the wide-spread cooperation received, makes this annual event a truly civic effort.

ANNUAL MUSICAL

On Sunday evening, August 24, the 11th annual musical will be given by the colored people of Highlands. It will be in the school auditorium at 8 o'clock.

The program this year will consist of Spirituals, Gospel songs, solos, recitations, and several Spanish hymns.

No admission will be charged. An offering will be taken for the benefit of the Highlands Methodist Church and the Highlands Community Hospital.

LIONS MEETING

The Highlands Lions Club held its regular meeting last Thursday evening at Hotel Edwards. Club President, Gordon Talley presided at this meeting, and the Club members enjoyed a talk given by Mr. William Caye concerning the Hospital Fund Drive. The Lions Club was asked to help with this drive in anyway they could.

The next meeting will be held August 21 at Hotel Edwards at 7 P.M. All visiting Lions are invited to attend.

INJURED IN ACCIDENT

Mr. J. Lamb Perry of Columbia, S.C. suffered severe face lacerations and shock last Friday night about 8:30 when he lost control of the car he was driving and it ran into a ditch. The accident happened about 15 miles south of Highlands
