#### INVITED TO BECOME MEMBER

Polly Knipp Hill, whose etchings visitors to the last Highlands Art Exhibition will remember, has had the honor to be invited to become an active artist member of "The Printmakers Society of California." This group of internationally known artists and associate sustaining members was founded in 1914 "as an international non-profit organization designed for educational purposes, to further print appreciation, and mutually benefit the graphic arts and artists."

The Society has asked Mrs. Hill to send six of her etchings in time to be included in the traveling exhibitions which are being organized for winter circuit through the museums and galleries of

(Con't on page 9)

#### BARBECUE DINNER

On next Monday, Sept. 1, the Highlands Lions Club will sponsor a barbecue dinner which will be held at the Barbecue pit at the Highlands Recreation Center. The hours will be from 11 A.M. to 4 P.M. and anyone who loves good barbecue should go go by that day for their lunch. Only top grade beef will be used for the barbecue.

The money made from this affair will be used during the Christmas season for Cheer Baskets which the Lions Club always takes around, and for underprivileged children.

Young or old, go by and enjoy a delicious lunch.

#### THANK YOU

We are taking this opportunity to thank all those who have helped to make possible the publication of our newspaper-The Galax News-for the seventh consecutive year.

In reality, this is the eleventh year that a newspaper has been published by the local theatre. A summer newspaper was published for a period of four years while the theatre was operated in the school auditorium before World War II.

We thank our many advertisers who played a major role in making this summer's program of news so successful. Through their generous support in advertising they have made possible the publication of the Galax News this year as well as in years past.

We thank those who have so generously
