"For operating expenses June 1959 - June 1960--\$15,000.00 is needed. For improvements to building and equipment--\$15,000.00 is needed. Goal--\$30,000.00. Received to June 30--\$4,000.00. Help us get the \$26,000.00."

NOTES FROM THE THEATRE ON OLD SCHOOL HILL

Several new workers showed up at the Highlands Community Theatre this week and immediately got into the swing of production activity. Alan Owens, Gene Green, Raoul and Scott Clarke, Betty Bird, Adele Whittle and Tommy Johnson have been helping on the set or on the refinishing of the lobby.

The office has been moved and Town workmen are expected to begin on the installation of the new bathroom this week. We thank the Town for this important help.

There are daily rehearsals going on, of course, with old times Richard Melvin, Skip Williams, Edna Faxon and new comer to the HCT, Nick Koepf-Baker, going through their paces.

No Siamese cat has applied for a part yet in response to our appeal but there is still plenty of time for one to put in an appearance before curtain time.

CAMP NEWS
