

**PRESBYTERIAN CHURCH NEWS**

On Wednesday night, July 1, a party was held at the Manse for the Pioneer Fellowship Group, ages 10 through 14. This was primarily a social affair with a brief period devoted to selection of a regular meeting time, and plans were made for the summer's work.

The activities began with a charcoal broiled hamburger supper which was followed by games, contests, singing, and other fun. It was not required that you be a member of the Presbyterian Church to attend this party. Anyone of this age group was cordially invited to come to the party and to participate with the group in their regular meetings. The regular meetings will combine light refreshments, fellowship, and devotionals.

We wish to remind those young people in the 15 and up age group that our Senior Fellowship is now meeting at 7:00 p.m. each Sunday evening. Sometimes we shall meet at the Church, sometimes at the Manse, sometimes in the homes of members of the congregation. Also, we have just received a nice portable grill from an anonymous donor, and we shall plan some "cook-out" meetings at nearby out-of-town suitable locations. Details of meetings will be in the bulletins each Sunday morning. Call some of your friends Sunday afternoon, or call the Manse, if you need information. We had eleven for a very fine meeting last Sunday night, but we feel that this number could and should be doubled. Any young people in the community, 15 and up, who are not active in other groups, are cordially invited.

We enjoyed and appreciated a lovely solo last Sunday morning, "Blessed Are The Peacemakers", sung by Mr. Nick Hodsdon.

Nick recently sang this number at the Raccalaureate service for his High School graduation in Miami. He was accompanied Sunday by Mrs. O.F. Summer at the piano. Mrs. MacGregor was at the organ Sunday.

We had several children pre-registered Sunday for the Vacation Bible School which will be held jointly with the Methodists and the Episcopalians and which will run for one week beginning Monday, July 13th. At Sunday School and Church next Sunday there will be further opportunity for boys and girls from 4 years of age up through Intermediate ages, to be pre-registered. Then there will be a final registration period, from 10 to 12 a.m. on Friday, July 10th, in the vestibule of the Presbyterian Church. Transportation arrangements will be made for any children who might need it, if same will be indicated on the registration card.
