NOTES FROM OLD SCHOOL HILL

THE BAD SEED will open at the Highlands Community Theatre on Wednesday, August 5th, with a second performance on Friday, August 7th.

It is the Theatre's policy to offer one serious drama each season in addition to the light comedies and one production with music and dancing.

This not only adds variety to the program, but gives an opportunity to our serious students of acting to learn how convincing characterizations can be built. Nothing can give as much valuable

ROTARY NEWS

At the regular meeting of the Highlands Rotary Club on Tuesday evening, District Governor C.W. "Pat" Gilchrist, District Governor 767, made his annual visit to this Club. Governor Gilchrist spoke to the Club about Rotary and devoted most of his speech to his experiences at the District Governor's School in Lake Placid, New York. His talk was enthusiastically received by a large number of local and visiting Rotarians.

District Governor Gilchrist was born in Charlotte, North Carolina in 1900, graduated from Woodberry Forest School in Virginia, and attended Davidson College and the University of Pennsylvania. In 1957 he was awarded the honorary Doctor of Laws degree at Davidson College. He is President of the Charlotte Chemical Laboratory in Charlotte, Past President of the Charlotte Rotary Club; Past President of the Charlotte Chamber of Commerce; Director of the First Union National Bank; and elder of the Trinity First Presbyterian Church in Charlotte, and has held many important positions in civic and charitable organizations in Charlotte for many years.

WINGS OF THE MORNING

Bright morning after rain — blue depth of sky, shining of the green forest, the joyous note of the abundantly full brooks gushing alongside of mossy rocks and trembling ferns.

Morning — and blessed are those who can go out to meet it, especially those who start up the mountain with a heart as light as the song of birds. For there is a lift in the air and a fragrance in the woods that is always intensified after rain.

And behold the trees: the myriad green, green leaves seem to clap their
