## HOSPITAL BOARD MAKES PLANS

A feeling of conservative optimism characterized the meeting of the Board of Trustees of the Highlands Community Hospital which was held Tuesday night in the Fellowship Hall of the Episcopal Church. The Board reviewed the present status of the Fund Drive and expressed itself as being confident that the community would recognize the great importance of bringing the campaign to a successful point (Con't on page 9)

Each year there have been more artists exhibiting and more varied work shown, so that the Art Show outgrew the space available in the Library and it has been a problem to find a suitable place to hold it.
