DR. PIERCE AND DR. ALLEN WILL PREACH HERE

The Highlands Methodist Church will hold a preaching mission from July 4th through July 8th. Dr. Pierce Harris and Dr. Charles L. Allen of Atlanta, Georgia will preach each evening. The services will be at 8:00 p.m. Many people in Western North Carolina will want to attend these special services, which have become an annual event in Highlands.

GARDEN CLUB

The Highlands Garden Club met Thursday, June 16, at the home of Miss Helen Augur. At this meeting Mrs. Dale, Conservation Chairman, spoke of the plight of the albatross on Sand Island in the Midway group where one fourth of the remaining albatross live. She said that the Navy was trying to work out a solution that would give them use of the island without having to kill off the albatross.

The great improvement of the cemetery grounds was commented on and it was voted to send a check for \$50 to the Cemetery Committee.

Attention was called to the fact that there will not be a Garden Tour

NOTES FROM OLD SCHOOL HILL

Come Back, Little Sheba, first play of the 1960 season at the theatre on the hill is already in rehearsal and any one interested in any phase of production is cordially invited to visit the scene of activity any day from 10 to 12. While waiting for the mail, come up. There is always painting, building, sewing and good company awaiting you.

The local cast for this popular play includes: Bob Dupree, Ted Wilcox, Virginia Allen, Richard Melvin, Jim Hines, Ronald Harper, and Earl Young.

Come Back, Little Sheba will be presented at the theatre July 13th and 15th. The play is based on a deadly parallel. It has to do with a chiropractor who had to quit medical school and

ANNUAL MEETINGS

The Annual Meetings of the Board of Managers, the Board of Trustees, and the Membership of The Highlands Biological Station are scheduled for the week end.

On Saturday morning at 9:30 in the Reinke Library of the Coker Building the Board of Managers will meet. This board is composed of a representative of each of the subscribing colleges and universities. This group of professional biologists, subject to the approval of the Board of Trustees, formulates the policies and plans for research programs and the educational program conducted for the layman. It also awards the grants-in-aid for research and makes re-
