## CAR TAKES BATH IN LAKE SEQUOYAH

Donnie Roger Moore, 17, of Highlands and Norman Keener of Elizay took an unexpected drive into Lake Sequoyah Friday evening, July 29, about 6:15 p.m.

Moore, driving a 1951 Chevrolet, started to make the turn at the bridge on the lake going towards Franklin. When he hit the brake the car skidded about 100 feet, turned a complete somersault in the air and landed right side up in the lake, about 25 feet out, on the right side of the road.

The boys, who could not swim, managed to get out the windows of the car and onto the hood as the car slowly sank. Edward Whaley, 13, who live at Lake Sequoyah, was afloat in a boat and seeing the boys sitting on the hood, he drifted down. Acting not a bit surprised at their rather unusual boat, he said, "Hop in boys, and I'll take you to shore."

The car, which completely submerged in 19 feet of water, was pulled out of the lake about 8:00 p.m. and was a total loss. Moore received minor head injuries but the two boys were not harmed by their novel experience.

## NET PROFIT

The net profit to date from the "Fair of the Four Seasons" hospital bazaar is \$4,358.59. This figure does not include the kick-off supper proceeds given by the Women of the Baptist Church.

The last week in August a re-sale on items left over from the Bazaar will be held.

## CHIP 'N PUTT OPENING

A new brilliance will light up the night down at Helen's Barn when the Hi-Ho Chip 'n Putt Par 3 Golf Course opens. The tentative opening date has been set for Saturday, August 6.

Set in a lovely group of orchard trees with a hedge shielding it from the highway, the bent grass greens invite all golf enthusiasts as well as eager beginners to try their skill any day or night.

Nine iron and putter equipment is available to rent at the golf house, or you can use your own on the 9-hole course.

Located between Main and 2nd Streets, the course plans to include a spring house, rustic foot bridge and a miniature pond in its later development.

The new course will really provide an interesting and different recreational activity for the Highlands area. Why not try your luck---you might be another Sam Sneed.
