## EXECUTIVE COMMITTEE OF ASB TO MEET IN HIGHLANDS

The executive committee of the Association of Southeastern Biologists will hold its interim planning meeting at the Highlands Biological Station on Saturday, June 24, at 1:30 p.m. Dr. Royal Shanks, professor of botany, University of Tenn., is president of the Association.

The committee will make plans for the next annual meeting of the association to be held at Wake Forest College in April 1962. Plans include celebration of the 25th Anniversary of the founding of the Association.

## FUND DRIVE HEADQUARTERS OPENING

Beginning Tuesday, June 27, the Hospital Fund Drive headquarters, located this year in the former "Wee Washette", will be open on week days during meal

hours. The building is located next to Reeves Hardware.

Anyone who has a question to ask or who would like to make a contribution to the Drive is invited to drop in during these hours. Totals on donations given to date will be posted on the window each day.

## THREE IN ACCIDENT

Saturday night, June 17, around 12 p.m. a wreck occurred on the Cashiers Road about a half-mile out of Highlands.

Mr. W.J. Chambers of Miami, Florida was driving the car. His wife and a friend, Mr. George W. Shubert of Pittsburg, Pennsylvania were with him at the time of the wreck.

Mr. Shubert and Mr. Chambers were not seriously hurt and were not admitted to the hospital, but were treated and released. Mrs. Chambers is still in the Highlands Community Hospital but is expected to make satisfactory recovery soon.

The Chambers have a summer home in Cashiers.

## UNDERGOES BRAIN SURGERY

Overton Tucker Chambers, age eight, underwent an emergency brain operation at St. Joseph Hospital in Atlanta, Ga. last Wednesday, June 14. Tucker, who is the son of Mr. and Mrs. Overton Chambers II and the grandson of Mr. and Mrs. Tudor N. Hall of Highlands, is reported to be in satisfactory condition and is recovering well.

Tucker's brother, Tommy, is now staying with Mr. and Mrs. Hall here.

Maybe it's really only a state of mind and if we close our eyes it'll go away--RAIN.

## "LIFE AND THE 'LIVING DEAD'"

by John Willard Johnson

"Life" is a very interesting word. I even doubt that justice is done by calling it a word. It encompasses far too much to be handled so recklessly. Men have spent their entire life spans exploring its' wonders, relentlessly searching for its' meaning, only to be brought to the sudden realization that their own babies were destined to be deprived of its substance and processes and returned to dust. Life then is not a gift of man, as yet, but a gift of God. I know, because I believe that all things are possible through God and just how far God will allow man to progress in the study and creation of life will be determined by the amount of ser-
