FOR STEAK LOVERS - Serving 7:00 P.M. to 11:00 P. M.  
Phone 3815

#### WHITE ELEPHANTS ANYONE?

Do you have any "white elephants"? Not "rummage," but good articles that you have no use for, but that some one else might like to have, are needed for the white elephant table at the Hospital Bazaar to be held in the Recreation Room of the Highlands Methodist Church on July 28th and 29th.

Anyone having anything to donate may leave it at the office of Magruder and O'Brien who have very generously offered to store it until the time of the sale.

-----

#### PYF MEETS

Last Sunday evening, July 2, the Presbyterian Youth Fellowship enjoyed a hamburger dook-out in the yard of the church. Approximately 20 young people gathered around the charcoal fire and shared in the fun and fellowship of a delicious cook-out supper. Hearty praise went to Miss Gladys Schroeder and Jimmy Calloway who planned and prepared the outing.

After the supper, a program, the topic of which was "The Meaning of Life" was discussed. Everyone joined in to give

or her view of this subject and the discussion developed into a very interesting one.

The PYF also agreed to sell tickets for a lovely hand crocheted bedspread to be given away by the Woman's Auxiliary of the Presbyterian Church for the Highlands Community Hospital. The tickets are being sold for 50¢. The bedspread is on display at the Highlands Furniture Shop. Anyone interested in purchasing a chance for this piece of craftsmanship may get in touch with Miss Jessie Harbison, who is in charge of the Activity, at the Highlands Furniture Shop, or call 3131.

Next week a movie will be the chief attraction for the PYF meeting. Afterwards there will be a discussion and refreshments will be served. The Youth group meets every Sunday evening at 7:00 p.m. and visitors are urged to attend and join in the fun and fine fellowship the group enjoys each week.

#### NO DROUGHT

More than 150,000 gallons of water, sprayed through 10 rain stands and six high velocity fire nozzles were used for the comedy rain sequence in "Facts of Life" at the Galax, Sun-Mon, July 9-10.
