Mrs. G. A. Worley and grand-daughters, 'Punkin' and 'Lebo' Worley, have gone to Chattanooga, Tennessee, this week to visit and to meet relatives who will return to Highlands with them. Miss Jessie Harbison accompanied them and will return with them today, August 3rd.

Of interest to many Highlands people is the announcement that Grigsby Wotton, Jr. of Atlanta, Georgia, has been awarded a scholarship to Yale University. He is the son of Mr. and Mrs. Grigsby Wotton of Atlanta, and grandson of Mrs. J.A. Wotton who spends some time each summer at their home here.

Mr. and Mrs. Russell Eaton and three children, Robin, Mike and Andy, will arrive soon to spend some time with Mrs. Eaton's parents, Mr. and Mrs. B. E. Fernow. The Eatons live in Wilmington, Delaware.

Walt Disney's masterful Technicolor production of "Ten Who Dared," which will play at the Galax Theatre Saturday, August 5, is the true story of ten brave men who gambled their lives against the West's most dangerous river.

Brian Keith, John Beal and James Drury star in Disney's spectacular picturization of Major John Wesley Powell's heroic conquest of the Colorado River through the Grand Canyon in 1869. It is a stirring saga, packed with excitement, adventure and suspense.

Beal gives an authoritative performance as Major Powell, the one-armed explorer-scientist determined to probe the mysterious, uncharted Colorado. Keith portrays the superstitious traveller, who leaves Powell's expedition to vanish in the Utah wilderness. Other powerful characterization's are created by R.G. Armstrong, Ben Johnson, L.Q. Jones, Dan Sheridan, David Stollery, Stan Jones and David Frankham.

The authentic journey was filmed along a 370-mile stretch of the Colorado from Utah to Lake Mead. Six years of planning went into it. A picked crew fought the raging river through the Grand Canyon and their cameras captured some of the most awesome, inspiring scenery ever filmed.

Powell's original exploit earned him Congressional honors. Of the ten who dared the unknown, three vanished in a mystery that is still unsolved.
