BAZAAR CON'T

sented:

The Methodist Church for serving the lunch; the Shortoff Community ladies for their lovely pieced quilts; the Eastern Star for their delicious baked goods; the Garden Club for the potted and cut flowers and plants; the Presbyterian Church for their bake sales held for the Hospital's benefit; the Merchants who contributed to the Merchants Booth; the Catholic Church for their donations; the Baptist Church for the anticipated bake sale in August; and the Hospital Auxiliary.

The Committee also expresses their appreciation to the HIGHLANDER and the GALAX NEWS for their co-operation in publicizing the event.

To all those who helped in any way as well as to those who came and put the Bazaar over in a big way, a great, big "Thank you."

PREHISTORIC PROP

A prop 200 million years old is featured in Walt Disney's "Ten Who Dared." It is a marine fossil called a trilobite and was found in the Grand Canyon. It is shown as a geological specimen collected by Major Powell on his historic expedition down the Colorado River in 1869.
