GUEST SPEAKER

Miss Pauline White, a retired missionary from Brazil and now living in Gaffney, South Carolina, will speak at the evening service at the Highlands Baptist Church. Miss White is presently serving on the Staff of Camp Truett for the Macon Association G. A. Encampment and will also be the Missions Director for the Royal Ambassador Camp which will begin July 16th. She has had a variety of experiences during her 42 years of service and is an excellent and interesting speaker. Services will begin at 8:00 p.m.

DR. GORDON TO LECTURE

Dr. Robert E. Gordon, University of Norte Dame, will give the evening Lecture July 26, at the Museum of Natural History at 8:00 p.m. He will lecture on salamanders. Dr. Gordon is an authority on salamanders of the Southern Appalachians. From his wide experience with the group, he will select interesting points about the life history, methods of eating, courtship, and mating patterns.

PRESBYTERIAN YOUNG PEOPLE SHARE MEETINGS

Young people's groups of the Episcopal, Methodist, and Presbyterian churches of Highlands have joined for special meetings on each of the past three Sundays. The Presbyterian young people were hosts on June 24th and July 1st; programs featuring Christian movies, "Teenage Challenge" and "Teenage Code" were presented. The group also enjoyed singing, informal

fellowship, and refreshments.

The young people of the Methodist church treated the combined groups to a picnic on Sunset Rock on the evening of Sunday, July 8th. Approximately thirty-five boys and girls hiked up to the Rock and then enjoyed hot dogs roasted over an open fire. Afterwards, the Methodist young people led a short devotional exercise.
