PARENTS VISIT CAMP HIGHLANDER

Camp Highlander was "swamped" with parents who came to get their sons at the close of the first session last week, and with those who brought their sons for the second session beginning this week. The boys who remained for the eight weeks period toured Biltmore Estates and went camping during the between-session week. Mrs. Wax stated that the Camp was looking forward to a very successful next few weeks and that many activities to keep the boys busy are planned.
