Patients at the hospital at the present time are: Mr. Harry Hector, Mrs. Florence Saussy, Mrs. Fannie Crain, all of Highlands, and Mrs. E. D. Linardy of Ft. Lauderdale, Fla.

THOMAS COUSINS STORY

A deep personal interest in the drama of the Old Testament has prompted a Brevard Musician to compose a complete choral symphony on the story of Moses.

The composition, itself titled "Moses," will be presented at the Brevard Music Center in a special Sunday morning worship service, to which the public is invited. The symphony was written by M. T. Cousins, acting head of the department of music at Brevard College.

Cousins' work was commissioned by Band Director Herbert Hazelman and the music department of the Greensboro Senior High School.

"When Hazelman suggested that I use the commission to write a composition for a symphonic choir, we both agreed that the story of Moses would make an ideal vehicle for the music," said Cousins.

PARISH SUPPER

A pot-luck Parish Supper will be held in the Fellowship Hall of the Episcopal Church on Thursday evening, August 2, beginning at 6:30. Please telephone Mrs. Tom

Harbison at 3131 as to what you might best bring. The after-dinner program will include a motion picture prepared by the National Council of the Episcopal Church.

WORK PROGRESSES ON WALKWAY ENTRANCE

"We expect to be using our new entrance-way by Sunday, August 5th," said Pastor Dan McCall. "Our special offering last Sunday amounted to over thirteen hundred dollars, leaving us still quite a bit short of our goal of two thousand dollars. We have felt it important to go ahead and complete the work, however, inasmuch as the need for the walkway is as great as it is."

The walkway, being constructed of concrete and redwood, will connect a newly cleared parking lot adjacent to the church property with the narthex of the church. It will allow worshippers to walk from their cars all the way into the sanctuary without the necessity of climbing or descending steps. Prior to the reception of the special offerings, Rev. McCall explained that the walkway was being provided primarily to meet the need for a safe, convenient entrance for the senior members and friends of the congregation, as well as for those who have need of such an advantage because of medical reasons. "We will all benefit from the convenience," added Rev. McCall, "and from the safety afforded by this walkway, especially in the snow and ice of winter."

NEW ADDITION

Mr. and Mrs. R. L. Reese, Jr. announce the birth of a daughter, Karen Suzanne, 8 pounds, 4 ounces, born on Wednesday morning, July 25 at Angel Hospital in Franklin, North Carolina.
