ASSOCIATIONAL SUNBEAM CAMP

On Thursday, August 16th, an associational-wide Day Camp will be held at the Slagle Memorial Youth Center Playground for those who are eight years of age and are now preparing to be promoted into the G. A. and R. A. Programs. "Japanese Festival" is the theme chosen by Mrs. Furman Shook, Director of the Camp. The day will begin at 9:30 and close at 2:30. Each child is asked to bring a bag lunch.

Unit leaders will be Mrs. James Ray Smith, Mrs. Wilma Roper, and Mrs. Roy Kinsland. The Mission Study is under the leadership of Mrs. Roy Rickman and Mrs. George Evans. This study will be based on the book, HANA'S NEW HOME. The Rev. Horace Falls and the Rev. Clinton Bailey will take the children on a hike and have a period of nature study. The campers will collect and identify several leaves and place them in a booklet of their own design. Also assisting will be Mrs. C. T. Taylor and Rev. Robert Clark.

BOY SCOUTS HEAR RANGER PETERSON

Nineteen Boy Scouts and friends were present at the Boy Scout meeting last Saturday. District Ranger Don Peterson talked to the group and showed movies on U. S. Government land activities, life of a forest ranger, and other activities concerning outdoor life.

Advance camp was planned for the five senior scouts who are working on various badges. The camp is planned so that each boy will learn how to build a campsite and take necessary precautions in preparing the camp.

Scoutmaster E. C. Magruder announced that the weekly meeting time would be changed to 1:30 p.m. on Saturday afternoons. He also stated that all Scouts are required to wear their uniforms to the meetings.

RHODES OPENS APPLIANCE STORE

Mr. Billy Rhodes, a native of Macon County, and his wife, are opening a General Electric Appliance Store in the Cobb Building, located on East Main Street. A complete line of General Electric appliances, as well as some Westinghouse, will be on sale. Mr. Rhodes also does electrical wiring.

The new store will be open Saturday of this week.
