

SQUARE DANCE FESTIVAL BIG SUCCESS

The event which has been greatly anticipated all summer, the Square Dance Festival sponsored by the Highlands Chamber of Commerce, was a huge success last Thursday night, drawing between 700 and 800 fun-seeking local residents and visitors. The Festival was a success, not only financially (net profit approximately \$1200) but socially as well. There was represented a wide area, including South Carolina, Georgia, as well as local residents from as far away as Montana. One Highlands visitor attending was from London, England.

There were approximately 90 door prizes given away. These door prizes were generously contributed by local businessmen and a number of wholesale agents who work in the Highlands area.
