## MacKAKIN SEEKS SOLUTION TO PROBLEM

Mrs. T. O. MacKakin, of Sarasota, Fla., and Highlands, has called the problem of "stray" animals of Highlands to the attention of the public. Mrs. MacKakin pointed out that many animals are homeless and abandoned and seek shelter and food. Rather than ignore this problem, why not do something about it? And something can be done through interest and investigation by the people of the Highlands area. A special meeting will be held at Highlands School on August 21st, at 10:30 a.m. Plan to attend this meeting, and help solve the problem of lost or wandering pets.

## LEE'S INN EXPANSION PROGRAM

Twelve new cottage rooms, a convention hall, dining room and kitchen renovation program have been planned for Lee's Inn and Motel.

Eight motel units, each with tile bath, large dressing room and furnished with two double beds are now on the drawing board. Two cottages, each with fireplace in the sitting room, two bedrooms, each with private bath and porch, will be of interest to large families.

The new function room consisting of 1500 square feet will be an addition to the Inn. Over this meeting room, new dining room facilities are planned. After completion it will be possible to serve 360 persons at one time. This will be attractive to convention groups.

Construction will start shortly after Labor Day. It will be completed and ready for use when the Inn opens on May 15 for the 1963 season.

The Inn will close on November 1st this season.
