as Assistant Director. The cast will include Mark Duffy, Ann Rhodes, John David Richardson, Karen Sibley, and Rosemary Fleming.

The story of second marriage with all the confusion and intrigue involved when the two couples accidentally pick the same hotel and adjoining suites for their second honeymoons, PRIVATE LIVES is a Coward classic. The husband of the first and the wife of the second cannot stop referring to the respective firsts and things come to a boil before the "twain" finally meet. The unwinding of the complicated plot with the usual Coward treatment creates a fascinatingly funny glimpse into PRIVATE LIVES.

The downtown box office will open August 27th, but advanced reservations may be made anytime by calling the theatre, 4870. PRIVATE LIVES will run four nights, August 29 through September 1st.
