---his portrayal of Col. Purdy helped to make the play the success it was.

Mark Duffy as Captain McLean was excellent and everyone thoroughly enjoyed his performance from the very minute he appeared on stage.

From beginning to end, the play and its cast of fine actors was excellent entertainment. All the performers did such a grand job in helping to make the production the hilarious, enjoyable, and lovely play that it was. The Highlands Community Theatre is to be congratulated for this presentation of "Teahouse of the August Moon."
