(MIRROR LAKE ASSOCIATION CON'T FROM PAGE 5)
would hold office for a one year term until August 25, 1963. At that time, a meeting would be held for the election of new officers. The officers were empowered to incorporate the Association, with the legal aid of an attorney, and to carry out any business which might arise according to the Charter and By-Laws. The Chairman instructed Mr. James F. Cox, Attorney, to proceed as rapidly as possible in forming the Corporation.

A committee was then appointed by the Chairman to carry out the planning and details in the construction of the dam. This committee is composed of T. L. Mack, Willis Miller, and R. F. Williamson.

It was also announced that it was the hope of the committee that construction would begin on the dam at the end of this week or as soon as the contractor could begin this job.

The Association would like to thank all officers and individuals who have worked so diligently to mass enough money to enable the Association to have the construction to begin at the earliest possible date. It is also the wish of the Association to thank the general public and merchants, as well as the Town Of Highlands, for their generous contributions and cooperation. It is to be pointed out that the Association still needs more money to complete this worthwhile project at the earliest possible date. It is the sincere desire of the Association that Highlands & surrounding Communities shall not be deprived of the winter sport which this lake affords. Those making donations within the last week include: Kate Jungerman, Grace R. Bender, Dr. Victor C. Mulberg, Ernest Delburn, Mrs. Lyda Harcombe, Capt. R. H. Grayson, R.S. Severson, D. Duane Ness, Mr. and

Mrs. Jerry Parks.
