She saw them blurred mistily by the strength of her vision. She knew. She perceived reality through dreams. Not here, not now, nor in the past but to be-- everything was to be.

NOT ONLY FLEAS TO BITE 'UM

Dr. Leland Shanor, president of the Highlands Biological Station, will give the first of evening lectures scheduled at the Museum of Natural History on June 27. The formal title of the lecture is the fungal parasites of insects. A less formal title might well be NOT ONLY FLEAS TO BITE 'UM.
