DO YOU KNOW ABOUT THE STONE GARDEN OF KYOTO?

The Japanese for more than 2000 years have had a religion, or philosophy of life, which was once called Kamino-Michi, but is better known as Shinto. Shinto is actually a Chinese word. It means The Way of Good Spirits, and has to do with ancestor worship, but it also sets forth many rules of ethics which could well be rules of conduct by followers of any religion.

Some of the philosophy of Shinto is much like Confucianism, and some of the sayings of Confucius, (CON'D ON PAGE 16)

DON MUNGER DIES

Don Eugene Munger, 30, of the Short-off Community, died Friday at his home after a long illness.

He was a graduate of Highlands High School and a member of Highlands Baptist Church.

Surviving are the widow, Mrs. Mary Leola Dills Munger, whom he married in 1957; the parents, William J. and Lona Crane Munger; four brothers, Fred, Andy, and John Munger of Highlands, and James Munger of West Palm Beach, Fla.; and two sisters, Mrs. Joyce Cwens of Highlands and Mrs. J. C. Holly of Madiera Beach, Florida.

Services were held at 2 p.m. Sunday at Highlands Baptist Church. The Rev. Earl Dendy and the Rev. Clinton Bailey officiated and burial was in Highlands Cemetery. Pallbearers were Dusty Rhodes, James Potts, Pratt McClure, Howard Talley, Woodrow Holland, and Neville Wilson.

The body remained at the residence, and was placed in the church by Bryant Funeral Home thirty minutes prior to the service.

ANNUAL MEETINGS AT HIGHLANDS BIOLOGICAL STATION SCHEDULED

The annual meetings of the Highlands Biological Station, scheduled for this week end, will bring many distinguished persons to the area.

The executive committee and the research committee will meet jointly on Saturday evening at eight o'clock in the Reinke Library. Expected for this meeting are Dr. J. W. Hardin, president; Dr. J. T. Darlington, secretary; Caroline Hall, treasurer; Dr. Thelma Howell, executive director; Mrs. F. M. Bird; Dr. E. E. Byrd; Mr. O. W. McConnell; Dr. H. J. Oosting, chairman of the research committee; Drs. L. E. Anderson, J. R. Bailey, Charles E. Janner, and Elsie Quarterman.

Special guests at this meeting are the following members of a National Science Foundation panel: Drs. Robert Coon and J. T. Spencer of the Foundation; Dr. Carl D. Riggs, director of the University of Oklahoma Biological Station, and Dr. Arthur Cronquist of the New York Botanical Garden. The visit of the panel is a site visit to review the Station's request to the National Science Foundation for additional facilities. (CON'D ON PAGE 18)
