NOTES FROM THE TOWN OFFICE

At the Town meeting held on Tuesday evening, further plans were discussed and action taken on present Town projects. Bids were presented for the paving of First and Church Streets (from the Phillips 66 Station to the top of the hill and behind the Presbyterian Church) and for the re-surfacing of South Street (from the Hospital to King's Inn). These bids will be accepted on September 8th for work to be completed not later than October 15th.

Tile for the storm sewer to be constructed along the north side of Main Street will be purchased in the near future and work on this project will get underway.

The foundation for the new 100,000 gallon water storage tank was poured this week. Construction on the tank, which is being built on Bear Pen Mountain, is expected to be completed within the next few weeks.

The Town also accepted bids for a new jeep pickup and a new jeep for the Town.
